## PROPOSAL: Employment of a presbytery fundraiser

I propose that the Presbytery:

1. agree in principle to employ a presbytery fundraiser.
2. assign a committee with appropriate knowledge and experience to develop a detailed proposal covering employment models, management, financial accountability, legals and liability, relational dynamics, etc. This proposal would be presented at the November meeting of the Presbytery.

### Rationale

With costs rising and church income falling, we can no longer rely on traditional forms of income. Our hope is to be an effective presbytery and to increase our ministerial presence across the presbytery district. (That is to reverse the current trend of decline.) And yet very few of us have the experience or capacity for raising large-scale funds. The employment of a professional fundraiser will mean someone with skills, experience and capacity would change the financial outlook of our Presbytery.
