Warwick Killarney and Freestone Uniting Church would like to thank our Qld Presbytery Ministers for holding their August meeting at Warwick. We appreciated being able to share our activities and dreams and being able to put faces to names. It was also great to be able to speak to our Presbytery Ministers about some of their local activities and dreams! We appreciate our own Presbytery Minister, Yvonne, and we don't realise how many extras the role places on you so we would like to take this opportunity to thank you very much for your support and advice.
